.36 CASK STRENGTH

TEXAS STRAIGHT
BOURBON WHISKEY

This is Texas Bourbon in all its grandeur. Directly out of the barrel. Uncut. Unfiltered.

Our *.36 Texas Cask Strength Bourbon* is a rare release, using only a few barrels hand-selected by our head distiller. Handcrafted at our San Antonio distillery, aged and matured in the Texas heat, this whiskey is a unique and bold expression with Texas terroir.

The finish is smooth. The flavor is bold. The craftsmanship is uncompromising.
