.36 TEXAS STRAIGHT BOURBON SINGLE BARREL PROGRAM

STRAIGHT BOURBON WHISKEY	ALC. BY VOL. 48%	PROOF 96
--------------------------	---------------------	-------------

.36 Texas Straight Bourbon is our flagship whiskey, handcrafted in small batches, aged in traditional large oak casks and matured under the Texas sun. It's an award-winning sipping bourbon that's cocktail friendly.

Our Single Barrel expression is our most rare offering, using an 25-gallon barrel hand-selected by our head distiller as the best. Each barrel makes 16-18 cases and come with individualized handcrafted labels. You are invited to visit our distillery and select your barrel or we can send samples from select barrels to you. The barrel is yours to put on display, including a certificate of authenticity.
