# IMPERIAL BROWN

## TEXAS BOURBON BARREL SERIES

IMPERIAL BROWN ALE aged in <b>BOURBON</b> BARRELS	ALC. BY VOL. <b>9.28%</b>	BRIX <b>20.65°</b>	IBU <b>25</b>	SRM <b>30</b>
---	------------------------------	-----------------------	------------------	------------------

This Imperial Brown ale boasts loads of sweet caramel and toffee notes balanced with roasted malts and a rich creaminess. After maturing in first-fill bourbon barrels, the base beer has taken on some undertones of vanilla, earthy tobacco, and an alcohol warmth. The characteristics of the bourbon barrel complement the flavors of the imperial brown ale to create layers of depth for a complex monster of a beer. Enjoy in a snifter and allow to warm up to 55 degrees to enjoy this beer at its full potential.

ENJOY SOME NOW, CELLAR SOME FOR LATER.
